**Reimagining
Worldwide
Education
Research**

The 2018 WERA World Congress

invites papers, symposia, and posters from submitters drawn to the opportunity to **advance knowledge** and foster a **reimagining of education research with a worldwide perspective** at its core.

Around the world, education research across contexts of learning addresses **strikingly similar issues and aims** to be relevant to policy and practice. **Whatever the topic** – access and equity, language diversities, STEM learning, teaching effectiveness, Policy impacts, or workforce preparation, to name but a few – **common questions and concerns drive inquiry.**
